3. Task – Create a webpage (using your favorite editor, e.g. Notepad++) as specified:

- set document language[1] to SLOVAK (so we can test proper display of special characters[2])

- insert a heading "GYMES"

- insert a paragraph "Takto sa dostanete na stránku našej školy".

- add a tooltip to the paragraph with text "Odkaz nižšie".

- insert a hyperlink to our school website: gymes.edupage.sk

- insert an image with a logo of our school (download it from the school website)

- set size of the image to 50% width and 50% height

- set document encoding to UTF-8 (without BOM) and save it as lesson2.html

- upload all the files to your portfolio folder on NAS
